

4+1 new PhD students in our research group!

We are glad to announce that next November 1st we will significantly expand our research group with 4 students enrolled in a new PhD course at GOL plus one who is starting his PhD program as an employee at [Verizon Connect](#).

Our internal new PhD students are:

- [Leonardo Di Gangi](#)
- [Matteo Lapucci](#)
- Roberta Rossi
- [Alessio Sortino](#)

And from [Verizon Connect](#):

- Matteo Simoncini

Welcome this group! Excited to see what you can achieve in this period!
