

Guido Cocchi

PhD Student of Information Engineering at Dipartimento di  Ingegneria dell'Informazione, Università degli Studi di Firenze.

I'm currently a PhD student at the Global Optimization Laboratory. I am interested in multiobjective optimization problems, machine learning and operation research.

Publications

- Scheduling the Italian Volleyball League
- Cocchi G., Giampaolo Liuzzi, Papini A., Sciandrone M.: An implicit filtering algorithm for derivative-free multiobjective optimization with box constraints, Computational Optimization and Applications, 2017
<https://link.springer.com/article/10.1007/s10589-017-9953-2>
- Machine learning methods for short-term bid forecasting in the renewable energy market: A case study in Italy. Cocchi G, Galli L, Galvan G, Sciandrone M, Cantù M, Tomaselli G. Wind Energy. 2018;1–15.
